200 Series

300 Series

Godfrey Syrett is proud to introduce the new Alto 100, 200 and 300 Series Tilt-Top table range, featuring enhanced, contemporary leg styling and high quality brake castors as standard. When time is tight, Alto delivers with tables that are ready for use in record time.

A superb addition to the range is the new optional perforated steel modesty panel, which automatically tilts with the top! Flexibility is also assured with all tables in the range fitted with a durable non-handed linking system as standard. And why not choose the new Gullwing veneer top option to give your 'mobile Meeting Room' a truly Executive feel...

ALTO TILT TOP

100 Series 200 Series

A host of new additions combine to make the 100 and 200 series Tilt-Top Table range more stylish and easy to use than ever. Choose the 100 with its classic leg design, or make a statement with the elegant and modern arc detail. With only one central handwheel, assembly times have been greatly reduced, and the optional modesty panel offers even more flexibility.

- Choice of leg styles
- Optional Modesty Panel.
- Fitted with Brake Castors as standard
- New linking system
- Robust Steel Construction.

Versatile non-handed linking system, for simple and straightforward assembly

ALTO TILT TOP

300 Series

Style comes as standard with the Alto 300 Series. Polished Aluminium leg detail with extra large castors create a high-file environment. Assembly times are even faster, with tables ready for use in just a few seconds.

As with all tables in the Alto Tilt-Top series, a variety of tops, including Semi-Circular and Trapezoidal are also available, and all guaranteed for Five years.

- Polished Aluminium leg detail
- Range of top sizes
- Ultra fast Assembly
- Lightweight
- Excellent Value for Money
